

## General Bulletin #13 Stamping Fee Change

To: All Illinois Surplus Line Producers & Interested Parties  
From: Donald D. Mauger

### STAMPING FEE CHANGE

The following change in the Association stamping fee has been approved by the Association's Board of Directors as well as the Director of Insurance.

It was necessary for the Association to request the increase because of continuing declining premium volume as well as reduced interest income.

For policies that have an effective date of January 1, 1995 or later, the stamping fee will be 0.3 of 1% (.003).

For purposes of the calculation of the stamping fee the renewal or extension of an existing policy is treated as a new policy.

Policy Effective Date	Stamping Fee Rate
1/1/1995 & Thereafter	.3% or .003
12/31/1994 - 1/1/1988	.1% or .001

See the Procedures Manual for prior fees.

If you have any questions, please contact the Association.
