

**General Bulletin #26
Tax Statement Mailings**

To: All Illinois Surplus Line Producers & Interested Parties
From: David L. Ocasek

In the past, we may have made some special arrangements with you for mailing surplus line and fire marshal tax statements to specific addresses or specific persons at your office. At the direction of the Division of Insurance, we will be discontinuing this practice beginning with the tax statements to be mailed out at the close of this calendar year.

***ALL SURPLUS LINE AND FIRE MARSHAL TAX
STATEMENTS WILL NOW BE MAILED
DIRECTLY TO THE LICENSEE
AT THE ADDRESS LISTED ON THE LICENSE.***

When you receive your tax statements, it is imperative that you process them and file them immediately, even if no tax is due.

***FAILURE TO FILE TAX STATEMENTS,
EVEN IF NO TAX IS DUE, WILL RESULT
IN A FINE OF AT LEAST \$400.***

It is now ***more important than ever*** to keep the Association and the Division of Insurance informed if you change firms or change your address.

If you have any questions regarding this new procedure, please do not hesitate to contact our office.
