The Surplus Line Association of Illinois is pleased to announce a new series of training videos. These videos were developed for the training of licensees and clerical staff. The series of 16 different videos covers various topics from membership forms, to SLA's electronic filing system, to filing of tax statements. They range in length from about 3 to 10 minutes and can be accessed online from the SLA website.

To view the videos, go to our website ([www.slai.org](http://www.slai.org)) and click on *Filing Info*, then on *Tutorial Videos*. From there click on any topic, make the popcorn, sit back in your chair and enjoy. The videos can be viewed as a refresher on a particular topic, or you can have new staff members watch the complete series as a part of their training.

The Surplus Line Association of Illinois welcomes your feedback on these videos.
